

Allergens and additives info

In the following, we have compiled information about the products that you can currently find in our houses (as of 07-03-2024).

These tables list all products and the allergens and additives they contain.

Please note the following:

The list of ingredients in our products has been compiled to the best of our knowledge on the basis of information provided by our suppliers. No guarantee can be given that this list is complete and correct at all times. Product and recipe changes are possible and are updated at regular intervals. Cross-contamination of individual ingredients cannot be ruled out.
